

ZENITH NEWSLETTER

3rd Edition

September 1, 2016

From the Desk of the Principal: Robert Studly

This has been a GREAT start to our school year. From the first day of school, our students have been in class working on their academics to earn graduation. This year we have placed an extra emphasis on helping students prepare for life after graduation by directing them towards college or career options that are available in our community. The Technical Education Center of Osceola (TECO) and Valencia State College are valuable community assets that offer tremendous opportunity for our students. If you haven't visited the campuses or their web sites; it's definitely worth the time to see what they offer.

This year our school advisory council will meet in our Media Center at 2:30 on the second Thursday of each month. We would love to have a large group of dedicated parents and community members this year. If you have never come to a SAC meeting, please come to one of our meetings and have a voice in the educational process here at Zenith Accelerated Learning Academy.

There are many activities coming up over the next few weeks here at Zenith, please check the school calendar for extended learning opportunities for your children. We are starting our Saturday program to give students extra time in PLATO labs and our afterschool extended academic time has already started from 1:30-4 on Monday, Tuesday, Thursday and 12:30 – 4 on Wednesdays.

Please know that my office is always open to parents or community members who have questions or comments. If possible, please call ahead and ask my secretary, Sonya Santana, for an

[For Information regarding scholarships or options for students after high school, Please feel free to contact Mrs. Konieczny in the Career Center; \(407\) 846-3976](#)

Zenith is a Title 1 school. Title 1 is a federally funded program that brings additional money to our school. At Zenith, we use our Title money to provide additional tutoring for students afterschool; Monday through Thursday and on select Saturdays. Please encourage your child to attend these important tutoring sessions.

As a parent, you have the right to be involved with how our Title funds are spent. The Parent Involvement plan is available on our web site. Zenith's ongoing goal is to support and work with parents to increase academic achievement.

We will be hosting our Annual Title 1 meeting on October 4, 2016 at 9 AM in the media center and then a second Title 1 meeting on November 10th in our media center just prior to our SAC meeting
