From The Principal

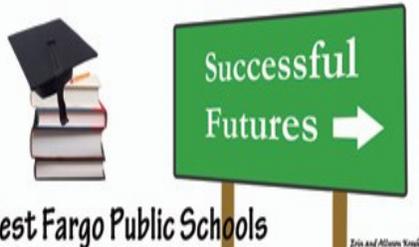

We are now half way through the school year and this has been a remarkable year, I am very, very proud of all we have accomplished with our students so far.

As a reminder, it's important parents and students to know that the following Wednesdays, there will be no early release: April 13, 20, 27, and May 4. This change is made to afford students as much time as possible for testing.

If you have any questions, comments, or concerns, please don't hesitate to come see me. I have a very liberal open door policy or you can call my secretary.

School Advisory Council Information: Zenith invites all parents and community members to help us, by becoming a member of our SAC committee. The committee meets the second Thursday of each month at 2:30 in the Media Center. Our meetings in the spring are March 10th, and April 14.
